

# ***WEBINAR CHILEAN & GERMAN STRATEGIES FOR R&D PROJECTS IN THE HYDROGEN SECTOR***

Bayerische Repräsentanz für Südamerika  
Argentinien, Chile, Kolumbien, Peru und Uruguay  
Representación del Estado de Bayern para Sudamérica  
Argentina, Chile, Colombia, Perú y Uruguay

## **Chilean & German Strategies for R&D Projects in the Hydrogen Sector – Webinar**

Date: 24 June 2025/ Time: 10:00am (Chile) / 4:00pm (Germany)

Format: Online via Zoom

This webinar offers Bavarian companies interested in hydrogen projects in Chile and in R&D cooperation, especially those considering participation in Hydrogen Dialogue Chile - Antofagasta, in November 2025, a first-hand insight into Chile's current and planned R&D strategies for green hydrogen, while showcasing bilateral cooperation opportunities, technological synergies, and joint funding instruments.

### **Preliminary Agenda (German time zone)**

- 16:00 [Welcome & goals of the webinar](#)  
State of Bavaria Office for South America
- 16:05 [Program & objectives of the R&D delegation trip to Chile](#)  
BAYLAT – Bavarian Academic Center for Latin America
- 16:15 [Regional panel – R&D strategies for green hydrogen in Chile](#)
